

REMARKS

The Applicants appreciate the Examiner's thorough examination of the subject application. Applicants request reconsideration of the subject application based on the following remarks.

Attached are replacement formal drawings of Figures 2 and 3 in which each partial view is separately labeled in compliance with 37 CFR 1.84(h)(2).

The amendment filed July 11, 2003, in response to the Office Action dated March 14, 2003, inadvertently omitted to provide corrected formal drawings. Applicants believe that the amendment filed July 11, 2003 was a *bona fide* response to the Office Action and that no additional fees are required at this time. However, if an additional extension of time is required for consideration of this response, Applicants provisional request that the Commissioner grant the required extension of time.

It is believed the application is in condition for immediate allowance, which action is earnestly solicited.

Applicants believe that additional fees are not required for consideration of the within Response. However, if for any reason a fee is required, a fee paid is inadequate or credit is owed for any excess fee paid, the Commissioner is hereby authorized and requested to charge Deposit Account No. 04-1105.

July 22, 2003

Respectfully submitted,
